To Jonathan Arehart and Chris LeCompte:

The Manassas Community Chorale, its Board of Directors and staff are delighted with the new website which you have designed and developed for us. We find it not only attractive, but also easy to use. The banner with the rotating slide show and the availability of the music are features that are sure to impress those who use the site.

Throughout the process of working with you on this project, we have found the Cavendo designer team to be responsive to all our requests, always professional in manner, and timely in the completion of all work. We also appreciate your willingness to work with our webmaster who will keep the site updated.

Thank you for presenting the Chorale with a quality website in which we and the community can be proud.

Sincerely,
